

On Thursday January 25<sup>th</sup>, Hanover School Nutrition Department will begin a pilot program with Red's Best, a locally based sustainable fish wholesaler.

Mr. Jamey Lionette will be on hand during each lunch period to share the sustainable "Sea to School" concept with students and faculty.

By Networked Fishermen

As the school nutrition department continues its focus to provide fresh foods for our students, **Fresh Baja Fish Tacos** will be an option for lunch this day.

We encourage you to visit Red's Best at: [www.redsbest.com](http://www.redsbest.com)
